YOUR NetSmartz TIPS FOR TWEENS

**CYBERBULLYING**
Don’t be mean. Gossiping doesn’t make you cool.

Ignore. Block. Tell. Ignore mean or threatening messages, block the sender, and tell a trusted adult who can help you report them.

Speak up if your friends are cyberbullying someone.

**ONLINE PREDATORS**
Recognize the difference between cute and creepy. An older guy who wants to date someone much younger is just creepy.

Don’t just sit there – REPORT anyone who asks to meet you in person to the police and www.cybertipline.com.

**SHARING TOO MUCH**
Avoid TMI. Don’t post anything too personal or embarrassing.

Protect your space. Use privacy settings and don’t accept just anyone as a friend.

Don’t be that kid who gets suspended for posting something stupid online.

**TRUSTED ADULTS**
Talk to your parents or guardians about what you’re doing online. They’re not as bad as you think.
